

# Woollahra Colleagues Rugby Union Football Club

## Annual Report 2015

**THE WOOLLAHRA COLLEAGUES  
RUGBY UNION FOOTBALL CLUB**

(Established 1933)  
Headquarters Woollahra No 2  
PO Box 197, Double Bay, 2028

**Office Bearers 2015**

PATRON: Her Worship the Mayor of Woollahra

PRESIDENT: Richard McGrath

VICE PRESIDENTS:

John Anderson, Tim Booth, Michael Caspers, John Corlis  
David Gooch, Ron Harriden, John Hitchen, Doug Kirkwood  
Hans Lamens, John Noice, Eddie Radford, Sandy Ross  
Brian Wood, Charles Vandervord

CLUB CAPTAIN: Damon Holmes

SECRETARY: David Burnett

TREASURER: Paul Howard

COMMITTEE:

Nick Watt, Mike Kelly, Daniel Kelly, Cameron Ireland, John Kelly, Ben Waters, Jono Willis.

HONORARY LIFE MEMBERS:

John Barraclough\* (1963), John Herman (1963), David Higgins (1963), Ken Mclean\* (1963)  
Harry Barraclough\* (1964), Aubrey Ball\* (1968), Charles Messenger\* (1968), John Corlis (1968)  
Clarrie Noice\* (1968), George Osborne\* (1971), Eddie Radford (1971), Cyril Diggle\* (1975)  
Charles Vandervord\* (1975), Ron Harriden (1977), Fred Storch\* (1978), Geoff Hughes (1979)  
John Noice (1981), Robert Caldwell (1982), Geoff Robbins (1982), Bruce Diggle\* (1986)  
Iain Edwards (1986), John Hitchen (1988), Sandy Ross (1988), Doug Kirkwood (1988)  
John Anderson (1989), Alan Murchison\* (1989), David Gooch (1995), Hans Lamens (1998)  
Michael Clifford (1998), Tim Booth (1998), Brian Wood (2002), Richard McGrath (2005)  
David Crawford (2007), Justin Crawford (2007), Jerome Murphy (2008), Harvey Welman (2009)  
Bruce Donald (2009), Vance Lowry (2013), Laurence Campbell (2014), Tim Cullen (2014)  
Andrew Purchas (2014), John Ryan (2014)

HONORARY AUDITOR: Michael Clifford

**Trophy Winners 2013**

**Team Captains**

Halligan Cup	
Sutherland Cup	Tim Allworth
Judd Cup	Sam Orders
Whiddon Cup	Damon Holmes
Barbour Cup	Jack Williams
Burke Cup	Al Clifton
Kentwell Cup	Dan Kelly

**Team Coaches**

Halligan Cup	Ben Abrahams & Robert Rush
Sutherland Cup	Ben Abrahams
Judd Cup	Laurence Campbell & Jason Monteath
Whiddon Cup	Carl O'Sullivan & Will Martin
Barbour Cup	Andrew McKillop, Richard Buttenshaw & William Arnott
Burke Cup	Pete Minucos & Cam Ireland
Kentwell Cup	Ben Waters & David Croft
Club Coach	Ben Waters

**Best & Fairest**

Barbour Cup	Josh Moloney/George Mallat
Sutherland Cup	Charlie Evans
Judd Cup	Sam Orders
Whiddon Cup	Hamish McKenzie
Burke Cup	Issac Carey
Kentwell Cup	Jono Willis
Club	Mark Blackmore

**Club Awards**

Colleagues Honour Cap	Nick Watt
The Pappas Award	Nick Donlon
Player's Player	Mark Poole
Rookie of the Year	Josh Bouton
Most Improved Player	Chris Price
Leading Try Scorer	Sam Orders
Leading Point Scorer	Sean Paul McGoldrick
Oldest and Boldest	Will Davies

**100 games**

Sean Paul McGoldrick, Rob Kelly, Kim Bourke, Andrew Turner, Will Davis and Nick Donlon.

**Sean Paul McGoldrick**

Thanks again for another fantastic season for the club. Club Champs, 5 grand - finalists and two Premiers, is a pretty special year.

The reason for the email is to inform you that I have played 100 games for Colleagues this year. It has been 6 full season in a row, with finals every year and have never won the first week of finals so I end up playing the full 21 games in the season with no major injuries in there. Sorry for the late notice in getting this to you and hope I am not too late.

I joined Colleagues in 2010, where I was convinced to strap on the boots for the first time since I left school in 2003. To say I was apprehensive and uncertain to put my body through a footy season would be an understatement to say the least. I said to myself, I will give it one year and I don't care what team I play for, what position I am in, I just want to meet a new bunch of people and most of all have fun. As I complete my 6th full season, I clearly disregarded the 'just one season' sentiment but definitely met new people and had a hell of a lot of fun!

Having played sport all my life, before I joined Colleagues I had never had the pleasure of lifting a Premiership trophy. With Colleagues I have been fortunate enough to win 3 Premierships, each with Judd Cup. Including being a part of '5 from 5' which was one the most enjoyable days in my sporting life to say the least, and something I will always remember.

Whilst the Premierships and victories have been great, it is without a doubt the friendships and enjoyment around it that brings me back each year. As tough as Saturday was to lose, the season will go down as a great success as it was another enjoyable season with a great bunch of blokes. It is the same reason why I shamelessly try to recruit anyone and everyone who is contemplating playing rugby.

Hopefully this is sufficient and I haven't left it all too late! If you need anything further from me, please let me know.

Cheers,

SP

**Andrew Turner**

Hi Rich

I'm writing in to let you know that I have played my 100<sup>th</sup> game for the club during the season (against Brothers).

I joined Colleagues in 2009, coming in through the Judd Cup team and eventually playing some Burke and Kentwell Cup that year including playing my first of many games with stalwarts like Matt Aubrey, Tom TJ Johnson, Gus Graham and Cam Ireland.

In 2010 I began 5 grand final appearances in a row (in the years that I played):

2010 - Judd Cup - Laurie's first in decades

2011 - Burke Cup - 5 from 5

2012 - Burke Cup - going down in a close one to Pats

2013 - Whiddon Cup - going down to a stacked Knobs team

2014 - did not play

2015 - Whiddon Cup - going down 15-14 in the final minute of the game.

I have made some great mates through the club (particular mentions to Dai Williams, SP McGoldrick, Kim Bourke, Rob Paynter) and will thoroughly miss the club, the standard of play and horrible banter.

The Burke Cup win in 2011 was probably the Colleagues highlight for me against a Drummoyne team that had beaten us 3 times that year, in what was the 4th of 5 grand final wins for the day.

Regards

Andrew Turner

**Robert Kelly**

Good afternoon Richard,

I hope you are doing well.

I would like to put forth my nomination for 100 games played at the fine establishment of Woollahra Colleagues Rugby Union Football Club.

Starting in colts of 2010, I played much of the season on the wing and outside centre, running W1's off "Roddy" constantly scoring under the posts. Unfortunately we were defeated in the finals unable to place my hands on the magical Babour Cup.

In 2011, I am pleased to say I started every game except one (Benny wouldn't let me start however managed to get on at half time ) during the whole season in The Kentwell Cup. This was of course the legendary 5 from 5 year in which we beat Drummoyne 21-3 in the grand final with only Kelly's being able to produce their names on the score board. I was so nervous that I ended up having 2 tactical chunders before the game and nearly soiled myself when the Burkies boys were singing the Woollahra song. The only thought that went through my head was "we must do this".

I have now continued to play in the Kentwell Cup from 2012 to 2015, notching up roughly 85 games in first grade and making the finals on several occasions.

It has been an epic time at the Blue Giants and something that I wouldn't trade for the world. The mate ship and acceptance of this club makes it so special to be apart of.

Thank you for the consideration.

Robert Kelly

**Kim Bourke**

Hi Rich

I'm writing in to let you know that I have played my 100<sup>th</sup> game for the club during the season.

I joined Colleagues in 2007, coming in through the Halligan team and marking that year with a trophy win (my first ever trophy by the way), and playing through with some other club stalwarts (James Robertson, Chris Schliebs, Rob Rush)

I began my Sutherland/Judd Cup journey in 2008, playing in finals every year but not winning a single one until our breakthrough year in 2011 with our victory in extra time for the Sutherland Cup and the 5 from 5!

I have made some great mates through the club (particular mentions to Dai Williams, SP McGoldrick and Gilbert Turner) and have enjoyed getting back this year after a couple of years away.

Lifting the cup in 2011 with a great group of blokes after a lot of finals heartache would have to be the highlight amongst many great memories, as well as being involved in the 5 from 5 achievement for the club.

I've been lucky enough not to have a major injury, so I've definitely chalked up the numbers over those seasons, mostly in Sutherland and Judd with only a few games in Whiddon in the earlier years.

Hopefully we will be lifting the Sutherland Cup on Saturday along with a few others on the day.

I've sincerely enjoyed every minute playing for the club. Although I've exclusively played in the lower grades, I've always felt included and the club leaders (particularly Benny Waters, Cam Ireland and yourself) have always made such an effort to get to know everyone which goes a long long way to making it just a great club.

Please let me know if there is anything else I can send through.

Cheers

KB

**Nick Donlon**

Hi Rich,

I am writing to you as I played my 100<sup>th</sup> game for Colleagues during the 2015 season.

I started at Colleagues in 2008 playing Colts in a season that ended with a narrow grand final loss. Following this first season I stepped up into grade where I was led into 'The Dome' (Judd) by Laurie and seven years later still find myself there! Over these years I have played in 4 Judd Cup grand finals, winning 3 and losing this year by a penalty after full time.

Some highlights of my time at Colleagues have included the 2011 '5 from 5', Campbelltown bus trips, end of season BBQs and being part of a lot of terrible chat from the clubhouse balcony on a Saturday afternoon!

I have had the opportunity to play with many great blokes, some for only a season others for much longer and across the whole club have made some great mates. It is the people that make Colleagues such a great and inclusive club and one that I am very proud to have played for. I am looking forward to many more seasons with successes on and off the field.

Thanks

Nick

## Presidents Report

'Tis better to have loved and lost than to never have loved at all.

Winning Grand Finals is hard and you have to be in them to win them. To have five teams playing on GF day is extraordinary. To have two teams to win is great but I am sure there are sixty odd players who were hoping to have the same result.

The year can be declared very successful with our on field performance resulting in the Bruce Graham Shield along with Division 1 Club of the Year and the Suburban Club of the Year. It is a great recognition of the work done around the club by players, coaches and some very dedicated supporters.

I would like to make special mention of David Burnett, Paul Howard and Damon 'Dingo' Holmes. There are many moving parts and these gentlemen are responsible for making those parts move in the correct way. We had great assistance from David Gooch and his team which helped make Colleagues a welcoming place on home game days and I am sure was favourably received by visiting teams. John and Mike Kelly managed our Ladies Day's and Ball with great success.

This year we had the benefit of Jon Ryan managing subscriptions which was a great help resulting in a much smoother process that we can build on next season. Another old boy Tim Cullen has been a tremendous help on the technical side with website update and connectivity which has seen our data base much improved.

Our coaches do an incredible job and they are named elsewhere in this report so I will not name them individually but certainly acknowledge the hard work and angst that constitutes their season. We are lucky to have many quality people who are dedicated to the success of the club.

It is with great sadness that a twenty year sponsorship with BBraun comes to an end with the retirement of David Crawford from the CEO role. We wish David and Kate well and I am sure they will not be strangers having had son Justin so involved in the club and the Colleagues supplying two quality son in-laws.

We are grateful for the support of MCS, Hill Rogers Financial Services, GraysOnline, ISC and the Woollahra Hotel. During the year we are also well supported by Jan Logan Jewellery, Endeavour Brewing and SV Partner through Ian Purchas who has sponsored the Long Lunch for 15 years.

The season started on a on a very sad note with the tragic passing of Nick Tooth. Our thoughts are with his family and friends as our year draws to a close. I am sure that Nick would be proud of how the club honoured his spirit in 2015.

Richard McGrath

## Club Captain Report

This year for the Blue Giants was one not to forget as we had 5 teams out of 6 make the big dance, however as we found out not even the best laid plans can come to fruition. It was a turbulent start to the year with the Bondi Tens kicking off which warmed up a fair swag of Giants scattered through the majority of teams. There were some considerable standout performances for the year, on and off the field which made this year one of the more successful ones, evidently securing the Club championship and returning it to its rightful place.

I would firstly like to thank Rich McGrath for his ongoing support and guidance of the club which has helped myself and DB assist in making a few improvements to the club. I would also personally like to thank DB he has done a monumental job this year as Secretary and gone above and beyond to make colleagues behind the scenes run smoothly...the majority of the time. A lot of you wouldn't see the tireless hours he has put in to organise buses/photographs just to name a few things. John Ryan has also done a tremendous job this year distributing kit to the boys and was diligent in collecting player fees for the year that was a tremendous effort DB and I thank you greatly. Lastly my old mate Goochy, thanks very much mate for all your dedication on Saturdays when I come rolling a bit late after a few golden throat chalmers the night before and have the place running like Clockwork. Your tireless work to keep the club house running smoothly and additional work you do in providing meals on Thursdays nights is something that no other club would get close to rival. It's because of people like David Gooch that our club has the people around us supporting the players and has created a tremendous environment for players past and present to call the place a home away from home (especially those bloody Kiwi's).

With the help from DB in preseason we had about 20 players on average going through their paces either at the beach or on the field working on their rigs for the season and one hell of a season it was. With the season cut short due to some international tournament taking place somewhere in Europe our games were compressed and we had limited wet weather weekends available. The first rounds were swift with some stand out victories recorded in Judd and Burkey's with plenty of half centuries recorded throughout the year as the blue giants were taking a lead in the club championship that was going to prove tough to hold onto!! We were well placed early on as the majority of the grades were placed either 1<sup>st</sup> or 2<sup>nd</sup> on the ladder with JP leading the way with precise and accurate kicking in the Judd cup and DK leading the troops around the park in Kentwell. The Nuts and bolts (colts) were also competing tremendously at this stage and looked to be building for a great finish to the year. The Burkey's team resembled a run on Kentwell side at times and looked to be a shoe in for the finals and proved that by taking out the minor premiership...good on ya fellas. Whiddon followed a similar trend to Burkeys and secured the minor premiership however had quite a turbulent season and tripped up at the final dance in the dying seconds. The Sutherland cup which is a tremendous comp for all the can crushing competitors saw plenty of great rugby played by the lads that saw them take home the chocolates.....good on ya fellas great effort and thanks to Benny's infectious enthusiasm I'm sure it got you all across the line in the dying minutes.

My most memorable part of the year was the day when we played two games of rugby back to back that really tested all the lads both mentally and physically. We won every game except one, over the two days and I couldn't tell you how proud I was to sit there and say I was a colleague and loved every minute of it even travelling away to Petersham to nearly clean sweep them.

As the year come to a close we had a successful 2x ladies days, Colleagues ball, Long lunch and numerous unforgettable games of rugby played throughout the year. I would like to congratulate all teams that competed this year especially the colts on a memorable win against Mossman that went down to the wire, but returned the cup back to the blue giant stadium. I would also like to thank all the old boys for their ongoing support and banter throughout the year it was a very busy year as club

captain but enjoyed both the ups and downs throughout the year to assist in delivering the club championship home. Lastly to the player's, great year and one I will not forget anytime soon, as the majority of us got so close but yet so far at the big dance.....but that's rugby. Win, lose or draw I think colleagues is a club that no matter what your back ground you will be welcome with open arms, and that's why we continue to be the subbies club that is envied by all others.

Damon Holmes

## Club Treasurer Report

The 2015 financial year saw the Club's finances take a hit from the previous year, with the Club recording an operating loss of approximately \$11,000, against a surplus of \$12,000 the year before. That said we seem to have gone from feast to famine over the last few years so hopefully next year will be back to feast!

Despite the operating loss, cash as they say is king and I'm pleased report that the cash position of the Club is down only marginally over the previous year.

The Club had approximately 230 part or full financial members (including the Convicts). The reason for the significant jump in paid members from last year is thanks mostly to the diligent work of Jon Ryan in collecting and chasing payments which meant for the first time we were able to get full transparency across the Club's membership. The increased number is reflected in the difference between last year's figures and this year's almost being equal to the difference in the Club's sales figures year on year. This is because, despite the best efforts of David Gooch in providing accurate trading and cash records from the bar and elsewhere, it was always difficult in years gone by to distinguish certain deposits to our bank accounts made via the eftpos facilities, but not this year thanks to Jon's efforts.

As usual I would like to thank our major pub sponsor, the Woollahra Hotel, part of John Ryan's empire, whose cash and contra arrangements with the Club were again significant this year. John Ryan has been a long-time supporter of the Club and it was with great sadness that we were recently greeted with the news that he had sold the Woollahra Hotel. The Club Committee are currently in discussions with the new owner to continue this existing sponsorship and are confident of retaining it. I would also like to thank our other long time supporters of the club such as the Crawford family, David for the continued support of Kentwell via BBraun and Justin for his continued and still very generous personal donations, and Richard McGrath through Hill Rogers. With David's retirement from BBraun this sponsorship will cease for 2016, leaving a big hole in our budget. 2015 also saw the continuation of Maritime Container Services recent support and they have agreed to maintain their sponsorship for 2016. While we hope to continue our relationship with the Woollahra Hotel and our other existing sponsors for years to come, it is clear that we need to work hard to attract new sponsors in order to be able to continue to support the day to day operations of the Club lest we eat into our cash reserves.

In terms of our social events the Long Lunch as usual was a strong contributor and the ball ran at just over break even. However, we were not able to effectively manage the costs associated with the two Ladies Day functions this year which ran at a slight combined loss. This is unfortunate and more diligence needs to be given next year.

As is stated each year, the cost of running such a large club will continue to escalate with rising insurance, registration and council costs although this year these costs remained relatively static. It should be noted that other significant increases in expenses related to gear, general merchandise and tape to keep the players stuck together on the field!

As noted in previous reports, the Club has always been based around honesty and the emphasis is definitely placed back on the members to ensure that they uphold this ethos. Special mention should again go to David Gooch and "his staff" (Hitcho and Gooch's lovely partner Leigh) for their continued efforts in helping get cash in the tin from players and via the bar/canteen and David for keeping the club maintained and humming along during the week and on game day. David is not only overly generous with his time but also with his various donations and we have him to thank in major part for the marvellous new fridges in the main bar.

This year saw the running of the 10th Bondi Ten's Tournament. A slight reduction in amount of teams from the previous year meant less entry fees and without a major sponsor meant the Tournament once again recorded only a small surplus this year. We distributed most of the surplus to make a donation of \$3,000 to the Royal North Shore Burns Unit. Significant work is going in to revitalising the tournament for next year which will tie into the World Rugby 7's to be held in Sydney for the first time in 2016. Hopefully this will give it the hit it has so desperately needed and allow it to return to the glory days and so better support those institutions we originally donated to following the original Bali bombings such as the Royal North Shore Burns Unit and of course to continue celebrate the memories of those lost and injured in the bombings for which this tournament was originally created in memorial.

While this year has been a bit of a struggle financially I look forward to next year positive that with continued hard work and diligence we will see the Club's financial stability remain strong and once again return to an operating surplus.

Finally, I am confident that the Club has the capacity to meet all it's liabilities as and when they fall due.

**Paul Howard**

**Honorary Treasurer**

## Club Secretary Report

Whether you've turned up to a random home match at Blue Giant Stadium or picked up this hefty Annual Report, it doesn't take long for you to see why Colleagues was voted NSW Suburban Rugby Club of the Year, Division 1 Club of the Year and were successful in winning our umpteenth Division 1 Club Champions. We've got more good blokes than Dingo's got classic Aussie catch phrases.

I'll let the Club Captain, Club Coach and team coaches talk in depth about the success of our great club on field in 2015. From my perspective, it's just a bunch of guys playing rugby for the right reasons, enjoying the contest, enjoy a laugh and a shower beer after the game. It doesn't matter if each team didn't get the W, every Saturday was a good bloke rinse.

Off the field, the numbers will show a mixed year, but there were success stories across the park. At the start of the year it was the committee's feeling that this season, amongst a mixed suburban rugby landscape of amateurs and professionals, was about providing real value back to the players. Whether it came in the form of better quality kit from partner ISC, additional quality merchandise items like classic duffle bags and hoodies or strapping tape that wouldn't stick to your hair for days after the match. I'm proud that our club is and will always be amateur, and even prouder that we have volunteers and committee members who are more than happy to give real value back to every player.

The clubhouse couldn't be in better nick due in no small part to the tireless efforts of our Clubhouse Manager and dear old Colleague David Gooch. Goochy and his lovely lady Leigh's, no job is too small policy, is without doubt the reason we have taken home the Club of the Year silverware. Awards voted in part by our opponents who Goochy, Leigh, Jon Ryan and Hitcho fed and drunk up, at no cost, every home match.

This season thanks to our hire muscle Jonny Ryan and players of course, we collected a recorded amount of player subs. Jon's attention to detail, organisation skills and willingness to assist in the least sexiest job in the club, ensured our club had a successful year at the bank. Jon, as secretary, I am sincerely appreciate of your unwavering assist this season.

Whilst I am calling out volunteers who contribute to the bottom line of the club, a big shout out needs to go to the Bondi 10s committee of Rich, Bryno, Will and Tim. Many Colleagues' guys aren't aware of the connection between the club and this premier and now National Championship 10s tournament. The work you guys put in that ultimately ensures Colleagues players run out and drink up each week, is much appreciated. This tournament is the envy of every rugby club in the state and most likely country.

2015 was a quality year for the Colleagues socialites, with another two wildly enjoyable and successful ladies days. Once again Goochy and Leigh's work in preparing the club house for the hordes of tipsy ladies, and Mike and John Kelly's efforts in getting them there is always tremendously valued.

Again the Kells work, with the fabulous, newly titled Colleagues Social Executive Producer Charlie Valentine (Flower's wife), ensured we had one of the classiest and we'll dressed Black Tie Ball's in recent memory.

To Pres and leader of the Old Colleagues, Boothy, thanks for another successful Long Lunch and Old Colleagues Day.

A big shout out to our online and technical guru Tim Cullen. Tim, we really appreciate your work behind the scenes with the website, club database (which really is top notch for a professional club!) and our new smart TV in the clubhouse. That TV and your work in getting it working great has paid for many beers this season.

Well done to the coaches and Club Coach Benny Waters on a very successful year and thanks for all your unwavering committed to the players and the club. Big thanks for getting me all the paper work we're required to send in each week before and after every match. Top points to Laurie on getting their first 9 times out of 10.

To the committee of Howie, Benny, Dingo and Pres. Thanks for supporting Dingo and I in our first year at the helm. Thanks for backing our decisions and giving us the ability to try things out for the boys. To Pres, I'm especially grateful to have had your ongoing support this year.

To Dingo, mate your vocabulary brings another 20 shades of blue to the Blue Giants. From the Dingo Dispatch, to the post-match yarns and Thursday night pep talks, you did an awesome jobs as club skipper this year. We know it wasn't easy juggling your traveling work load but that never meant a shy away from effort put in early on a Saturday morning. Great to have you at the club.

DB

## Club Coach Report

The 2015 season was a very strong year for the Cub and saw the return of the Bruce Graham Shield to the mighty Blue Giants. This is an outstanding result, particularly in a year where the Kentwell team didn't fare as well as hoped. This meant that the other grades were extremely consistent, culminating in getting 5 grades through to the grand finals out at TG Milner. The Blue Giants played some very strong rugby and across the senior grades and colts amassing 3,551 points in the regular season. We must remember that they were more forfeits this year than in the past meaning that a team only picks up 28 points on those days. Had other clubs been able to field sides the number would have been far greater. That means the Blue Giants scored about 33 points every time they strapped on the boots. Not bad. In terms of points conceded, there were 1,150 points scored against the men in sky blue at about an average of 11 per game. Not as good as past years but for every team that scores a point against, the Blue Giants racked up 3. This shows that the club is in good shape, playing good attacking footy but able to defend as well, but we must not rest on our laurels. The fact that teams scored more points against us this year means we need to up the defensive stakes and choke more teams out of games more often. This was particularly apparent in Kentwell where key games slipped away in the dying minutes.

The Kentwell season was inconsistent and in the end the inconsistency cost us an opportunity to play in a very open finals series. Whilst Balmain were the strongest team, the rest of the competition was wide open. The team was no doubt full of some very good talent, but key injuries and 5 players in the rep squad cost us at critical times and too many games slipped in the dying minutes from a win to a loss. It will not doubt be looked at as a season that got away on us. Having said that, 5 players in the rep squad is very impressive and the win in terrible conditions in Mosman was one of the best games in a number of years. Pleasingly we will retain much of the talent from this year and I know the boys are very hungry to get back in the winner's circle. Sadly we farewell two of the most consistent footballers Kentwell has had in a number of years. Nick Watt and Henry King have been Kentwell stalwarts and great guys to have around. Big shoes to fill and you fellas will be missed. Thanks to all the boys and to Crofty, Ash and Dougie for all your work

The Burke cup team had a great year only to fall at the last hurdle. The boys played some outstanding football throughout the regular season and stormed into the final only to be outfoxed by a quality Mosman outfit on the day. The boys piled on 639 points for the round matches and only let 165 in. A very strong record in team that was very well coached by Pete and Cam. The boys dominated the set piece and breakdown for much of the year to then be able to sling the ball wide and many a team was left grasping at the very slick execution. It was a pleasure to watch the boys play and many in the team can expect higher honours in the years to come. During the season the Club, but in particular the Burkie boys, suffered a loss of a great mate, Nick Tooth. A very close friend to many in the team and the wider club, it was amazing to see this team pull together through very difficult circumstances and play footy the way they did. No doubt Toothy would have been proud. Well done men.

The Whiddon Cup team was another team that performed very well throughout the regular season only to have the grand final snatched away from them by Drummoyne in the final minutes of the game on what was a pretty tough call from the officials. As per usual, Carl and Will had the boys well prepared but they came up against a team in the GF that on paper should have blown them away, but it wasn't until the last few minutes of the game that Drummoyne finally got on top. It was a colossal effort and one the team should be proud of. During the regular season the Whiddon boys have become renowned for playing a fast game of footy and racking up plenty of points and only letting a few in. The forwards were great under the tutelage of Will and the backs consistently lit up through the centres and out wide as Carl and Dingo worked plenty of tactics and great execution but

unfortunately it wasn't meant to be. A great season and we look forward to seeing many of the boys back next year.

Judd Cup – 789 points for and only 63 against, played 16, won 16. They should have been given the cup on that stat alone. What an amazing regular season and must be close to some sort of subbies record. Monty and Laurie had the boys whipped into a frenzy each week and they simply tore the opposition apart. Admittedly it may not have been the strongest Judd Cup comp but that type of consistency is hard to replicate on a weekly basis. Unfortunately St Pats found another leg, or another bunch of players, and were too good in the finals series. However, it was only in the dying minutes that the game slipped away and the boys played their hearts out to be in front with only moments to go. The team should be congratulated for the way they played the game in 2015 and to not get the chocolates was a real travesty. Well done fellas, whilst you didn't get the results you wanted the way in which you played the game is to be commended.

The Sutherland and Halligan cup wider squad had another great year. Whilst they didn't repeat the double like they did last year they won the Sutherland cup for the second year in a row and finished second in the Halligan Cup comp. Benny A and Robbo (with a number of other great clubmen helping out) run what is the most difficult administrative group and do it with ease. The way you fellas manage such a large group of players and ensure that they all get footy and are included is amazing. The club is extremely grateful. Not only to you fellas manage organising a lot of your own games, you travel to many far off mystical places like Macarthur, Hawkesbury Valley, the Hill District to name a few and often returned with a great win and rushing back to support your mates in the other grades. You fellas set up each week, get gear to the ground and play some brilliant footy. Top of the table, straight into the GF and they to do the double is a great result. Well done fellas, the club is immensely proud.

The colties, I have definitely saved the best until last. What a season and what a result. The Barbour cup has evaded the Blue Giants for quite a few years but this year saw it brought back in style. Colts is a difficult team to coach as many of the blokes in the team have significant competing interests, such as chasing girls, drinking your own weight in beer and then uni and more importantly uni holidays. However, this year was different, not on the chasing girls, not on the beer drinking but the quality of the players and how the team came together was unreal. There were times when I saw 13 men (and sometimes less) take it to teams with a full contingent and reserves. That comes down to heart, skill and the sheer desire to win. You fellas had it all. Well marshalled by Macaa, Butto and Will Arnott, the boys were outstanding with exceptional forward play and some lightening execution in the backs. Poor old Mosman didn't have much hope. What a great result, what a great team and well done. If we can keep as much of that talent at the Blue Giants then we look good for the years to come.

There are a million people that make our club run and all deserve many thanks.

To the old boys, we love that you blokes are there week in and week out. You add meaning to what we are trying to achieve and your passion makes it easy to get up when you have been buried buy a 130kg human that digs holes for a living. We can't thank you enough.

To Goochie (and Leigh) and your team that look after the club, there isn't praise enough for what you do. The effort you have gone to has changed our club for the better, we are more organised than ever before and that is a direct result of your efforts. Thank you so much.

To the executive and all the sub-committees, it just wouldn't work without all your time and dedication. We have the best club, the best functions and the best culture because of what you do. Thank you.

To the coaches, your effort, passion and time commitment is unreal. The collegiate approach this year was great and the way you fellas worked together was brilliant. To Nick Hensley, our fitness and skill got us to 5 out of 6 grand finals and you were a massive part of that.

Finally to the players. It is always a pleasure to watch you fellas go around. The way you play the game and what you achieve makes our club so special. I think 2016 will be a great year, with only a few tasting grand final glory this year, I can see there will be plenty of hunger to go one step more next.

Thank you also for the honour of being club coach. It is a pleasure to work with all of you and my association with Colleagues is one of the things I hold dearest.

You will never be forgotten Toothy.

Go the Giants

Ben Waters

### Kentwell Cup Report

The Kentwell Cup is a strange beast. There are years when you expect to do it tough and achieve great results and there are years you expect to do very well and do not. Sadly it was the later for the 2015 Kentwell Cup side. There was no lack of talent in the team but through unfortunate injuries and some poor performances at crucial times we let both ourselves and the club down. There was a real air of expectation at the beginning of the year with a good level of players retained, some experienced players coming back after a break and some really strong talent arriving at the club for the first time. The off season was sound with many of the boys coming together mid November to get things moving, although the preseason games were a little disjointed in terms of consistency which showed in our first round against Balmain. A good reality check and gave the boys a rev up that the season wasn't going to be an easy one, but unfortunately post that the team never really got into gear. Often a good win was followed up by a poor loss and in particular losses to teams like Petersham, Knox and Brothers hurt the momentum. What was toughest were the losses to Drummoyne, both in the last few minutes of the game and against the run of play. In summary, our defence wasn't good enough, we had too many key players out too often, in particular in the backs, and we didn't close out crucial moments in the game and let lesser teams slide by.

That is enough of the negative, and all involved know what needs to be achieved next year.

Now to some of the highlights. 5 players in the rep squad is a testament to the talent we had in the squad. How Mansfield was left out of that group is still got many scratching their heads and unlucky to Wrighty to injure himself in the week before the first game (playing an extra game in Canberra to get fit??? Front-rowers have changed!).

We welcomed some new talent in, Barbs, Cronin, Archie, Finn, Henley, Hickey to name a few and it was outstanding to see Mark "Draggin" Poole get his Kentwell debut. Not only did he get it but went on to have a massive impact on the team and was one of the most consistent. We also welcomed

back Bathie from a stint in Shute Shield but the poor bloke blew more hammies than Mansfield and we didn't see enough of him.

Whilst we were guilty on letting games slip to poor opposition, the two wins against Mosman for the season were two of the best games we have played for a long time. In particular the game against Mosman at Mosman. The conditions were terrible but the boys tackled their hearts out and managed to play one of the best games of footy in a number of years. It certainly showed what we were capable of. However it wasn't meant to be.

Congratulations to Jono Willis who took out best and fairest and Dave Wright who picked up players' player. The front row is in good stead.

There are a lot of thanks that go into putting a Kentwell team and season together. Goochie for all your work keeping the kit together, to Prez and the executive and all the blokes who work tirelessly behind the scenes to keep us on the pitch. A huge thank you.

To the old boys who turn up each week and support. Thank you, it wasn't what you hoped it would be but it will be next year.

To the Burkies boys who backed up all year and stayed around to support. Hard luck on your GF result but thank you for all your help and willingness to throw yourselves into the game at a moments notice.

To the senior player group in Kentwell. For all your hard work and guidance, thank you. In particular DK, DB and BJ.

To the rest of the boys, hard luck fellas but thanks. The Kentwell comp is a bloody tough competition, and whilst the results didn't go our way, it was through lack of execution not lack of heart.

To the other coaches, Crofty, Ash and Dougie. The time you blokes give up each week is outstanding and thank you.

There are a couple of final notes. This year we tragically lost Toothy. The Kentwell team will always remember that great young man.

We are also set to lose Watty and Kingo, who are likely to leave Sydney following their careers. Losing two blokes like this will be hard to replace. They are the best trainers, most consistent players and great blokes to have in a team. Never do they shirk the hard jobs and with both of them the team always came first. Whilst there were few blokes that more injuries than Watty, fewer blokes worked harder at getting back on the field and no matter what the injury, he never missed turning up to watch his mates. You will be missed Big Fella. Kingo, one of the great servants to the club and in particular the Kentwell team. An almighty consistent player who new where to be and when to be there. His turn over in the 2011 grand final changed the momentum of the game and ensured the win. On behalf of all the players, not only in Kentwell but the rest of the club, thank you for your dedication and your work. 2 of the good guys.

2016 will be different, but we have to commit to make it so.

Thank you for the honour of being the Kentwell coach.

Benny

#### Burke Cup Report – Minor Premiers

Another season, another Grand Final. Five seasons in a row Burke have played in a Grand Final that came down to the last play.

Loss, win, loss, win...loss.

But as old D'Amato once said: "This game has got to be about more than winning. You're part of something here... along the way, I want you to cherish it, because when it's gone, it's gone forever."

Safe to say the 2015 Burkies team cherished every minute of it. A great, close-knit, bunch of blokes that have been mates on and off the field for seasons now. And the new blokes joining the fray just added to that atmosphere.

One moment that brought it together for me was a huddle at training, realising that we had the blokes that had won the last five Burke end-of-season Best & Fairest awards, all there in the team that week. And they were added to by Issy Carey, who picked up a well-deserved award this year. Issy went so well he even had Bruce Donald speaking positive words of his play.

It was a different story for our past couple of skippers, with Blackie and Jono up in top grade picking up Club B&F and Kentwell B&F respectively. Congrats to those lads. I hear they're both engaged now too – onwards and upwards.

Back in the land of the bachelor, Al Clifton took the reins and had another great season leading the boys. Fellow team leaders Issy Carey, Gus McGregor, Draggin' Poolie all helped make the spirit.

Old Burkies such as Mark Roddy, Ed Miller, Michael Tonkin, Archie Cuthill and Richard Saville just keep things rolling. (This now qualifies as the list of "Old Burkies"? Dammit.)

Meanwhile, new fellas such as Archie Walter, Tim Hickey, Nick Bibby and Arven Anderson brought some fresh tricks to the party.

20

As usual, there was an international flavour, with Joe Randa and Tommy De Kok plugging their heads into the tight 5 where the gaps usually are waiting for foreigners.

Some blokes had quality but interrupted seasons through injury, Kentwell, or holidays – Clarkie, Henley, Millward, Finn, Rob Kell, Pricey, Cam Patten.

Then there was the late season bromance of Dane and Tom. Borowski and Inman. Dano reckons he's retired again. A quick call from TB should sort that out.

Add it all up and it's hard to see how we didn't win! All credit to Mossie: they played as tight and structured a game as I've seen in Burkies. However, we beat them 6 tries to 2 across the finals, and 3 tries to 2 in the GF. One of theirs was a trick line-out at the front, the other a 70m intercept. They literally didn't make a line break. But they scored their two tries, kicked a couple of pens – and a rogue field goal. And that's the way things go.

Heartbreak wasn't ours alone at Colleagues this year. Whiddos played one of the most courageous games in ridiculous conditions and deserved their prem. Judd has been the most consistent team in subbies for two years without a cup to show for it. Commiserations and congratulations go to both teams!

Suthos and Barbour – congrats boys. And a big hope that another couple of great colts seasons will again be the foundation for the next gen of grade.

Big thanks to everyone running the show – especially Rich and Dingo and DB and Benny.

And to my co-coach (and tight head prop) Cam Ireland, cheers for it all mate. The Burkies success of late has been your success. If they can ever capture what keeps you running, give me a schooner of it.

That wraps up the football, however the moment that most impacted our season was the loss of our Colleague, Nick Tooth. A member of our premiership team in 2014, Toothy was loved by all and will be missed.

Vale, Toothy.

The way the team responded to a challenge of that magnitude, watching the boys get around each other and support each other unconditionally, it was a privilege to see.

Well done lads on a season that you can be proud of as blokes and as a team.

Go the Colleagues,

Minu

### Whiddon Cup Report – Minor Premiers

After being the bridesmaid in the previous two grandfinals, the magnificent men of the Whiddon Cup finally cracked the winners circle in 2014 and began the 2015 as defending premiers. However, early on the premiership defence was a case of two steps forward one step back.

The side began the season with two good wins against Balmain in the Grand final replay (50-17) and St Pats (22-3) however we came unstuck against Mosman at home after a jinxing by Coach Carlos and a Nigel Owens-esque missed knock-on that led to a length of the field try under the posts on the buzzer (10-14). The men then bounced back with two wins against Petersham (41-10) and a win against Knox that only a blind man could enjoy (9-0).

The next challenge against Drummoyne again saw a narrow loss at home (15-17) followed by a win against Brothers (24-7) and then brought on the bye weekend and a washed out Rd10. The break served us well with the a refreshed Colleagues side going on a 7 game winning streak against Balmain (19-3), Iggies (52-5), St Pats (19-0), Petesham (52-0), Mosman (25-10), Knox (31-14) and Iggies (53-0).

The confidence built over this period (which saw our 'For & Against' over this period climb to 251-32) may have been our undoing as a dodgy prawn found its way across half the team before a meeting with Drummoyne in round 16. The challenge was evident during the warm up with Sam Deans facing the wrong way most of the time and Captain Dingo unable to find the ground or his boots until just prior to kick-off. Despite duty of care issues, the boys ran onto the field and it went downhill from there, narrowly losing 17-10. One almost felt sorry for the next opponent in the last round game of the year that would bear the brunt of this frustration, enter Brothers and cue the scoreboard, 80-0, not bad for a 60 minute game.

This momentum continued into the finals with a convincing 32-20 win against Mosman and setup another Grand final appearance against the Drummoyne Brumbies. In an excellent game where the men from Whiddos ran with purpose and defended against raid upon raid by the more famous and

more remunerated Drummoyne outfit, after leading by 2 points for the majority of the second half, Drummoyne earned a penalty to take the lead in the final minutes 15-14. The scorer wasn't troubled further with the boys taking the silver medal in 2015. Congratulations to Josh Bolton and Hamish McKenzie who were voted equal best and fairest for the season.

2015 farewelled a few stalwarts of the Whiddon Cup, namely Drew Byrnes & Michael Langford. Both of these men have been instrumental in the success of the Whiddon cup side over the last few seasons (despite Drew running bolt upright and never passing and the Foal seeking out defenders when in the clear!). Further coaching extraordinaire Will Martin has been lured north to further his already distinguished career. Will has been at the heart and soul of the side for the past 3 seasons and our success and good looks are in no small part due to his efforts. His banter, rugby philosophies and general antics will be missed and we wish all 3 of these men well in the future.

Final thanks to all the players who ran on for the Whiddon Cup side this year, all 57 of you!! Without your efforts, not only would we not be successful in rugby terms, but we wouldn't have had a year as fun and enjoyable as we did. Well done boys, see you in 2016!

Carlos

#### Judd Cup 2015 undefeated Minor Premiers

Another stellar year for the Judd cup side, and enjoyed both the players and coaches alike.

It is a testament to the club as a whole that we can have some 65 players play for the side, and yet week in and week out be able to put the most competitive team possible on the park while other clubs struggle with player numbers and teams.

It would be remiss of me not mention a few of the highlights of the side this year, in particular two players that have been at the club for some time and reached new levels in their performances on the field.

First is Sam Orders the team captain and of course all round good bloke who led the team both on and off the field having stepped up from Sutherland cup last year. I am sure this is a club recorded as well but, Sam scored a try in every regular season match that he played in this year, thus also taking out the clubs award for leading try scorer. Well done Sam.

The second is Sean Paul McGoldrick the mercurial number 10 for the Judd side for the last several years again set a club record and what may well be a subbies record of 33 conversions in a row. This was no mean feat given the boys started to score them out wide so as to make it harder for him. He finished with 78 conversions for the season, and also picked up the clubs leading point scoring award as well. Well done Sean.

For me the side played a free flowing style all year racking up some very impressive scores along the way. The backline had pace, penetration, and the skill to crack sides wide open which is enjoyable watch both as coach and spectator as well as to participate in as a player. That being said backs can't do this without the ball and this was provided in abundance with a willing and able forward pack that was at time dynamic and devastating on the opposition it confronted.

It falls on me to say that we did not win the grand final as we were piped at the post by St Pat 17-15. All I can say is that the boys gave it everything they had on the day, but were unfortunate not to get the major prize. They can and should be proud of the way they played and represented this great club as I was.

Last I would like to thank all that help throughout the season including Jason Monteath my forwards coach, Ben water when he had the time, Dave Wright for scrum technique when he was injured which gave us a better platform to play from. The Pres for being the Pres, Dave Burnett, Carl for helping with player selection when it was needed thanks mate.

I look forwards to see all of you again next year at blue giant stadium.

Laurence Campbell

#### Sutherland Cup Report – Premiers

Yet again Colleagues has set the standard for breakfast rugby in Subbies. Again the 40 minute machine showed that to win back to back premierships a team must be greater than the mere sum of its parts.

Our proven coaching staff brought the intellect and nous of a pair Graham Henrys and the communicational flair of Gus Gould to lay the structures that would result in a for and against difference of 394 points, 130 points clear of our closest rival. No one could question their commitment to this juggernaut with one even sacrificing life and limb (mostly just limb) to advance the boys in blue.

A missive of this kind must make mention of the key players and personalities in this squad. The Minivan, our squad's spirit animal, took himself to great heights both on and off the field – never afraid of a hairy situation. Sul, our backrow wrecking-ball, made more meters through traffic than a high score in Frogger, always managing to find the opposition's frustrated hair dresser in the process. This year we were blessed again with one of those rare tens that coupled the deftest of touches with the ability to cut down the opposition like Federal Governments cut down leaders. Hailing from the Hawkesbury and bringing with him a predilection for rum, cola and violence Talbot made sure that our opponents were held to account around the breakdown; hitting them like an amputee on meth. Malarky had another stellar year showing a talent for avoiding Laurie, winding Talbot up and letting us ruin his house for roo court. And finally O Captain! My Captain! (it goes on to say something about weather'd-ing rack, seeking and winning prizes; fair summation) Noddy was unquestionably the man to lead us out of the tunnel, both an inspirational scribe and a great listener (I'm assuming) this hard shouldered turnover merchant gave his all, every minute, from kick-off to kick-out – well done and thank you sir.

Boys the proof is in the pudding, and with a squad like this there's no reason we can't get Norman Lindsay on it and keep coming back for more. Let's all look forward to another year of great rugby and a crack at a third piece of silverware, hoo ha.

## Halligan Cup Report

The 2015 season was bittersweet for the Colleagues Halligan Cup Team. While we did not go back to back with premierships, the season was somewhat disrupted with the lack of Sutherland teams in the competition and our assisting the Convicts when they were short of players. What was never in question was our dedication both to the games and to having a good time!

On a positive note, we came second in the Halligan Competition (scoring 222 points for and having 93 points against) behind a strong Macarthur team and the combined Sutherland cup team squad training system continued to work well.

Most importantly, there was tremendous amount of fun had including many new friendships made and the Halligan Cup continues to be a gateway to the rest of the Club with many players who played their first game for Colleagues in Halligan later moving up the grades Our reinstating the traditional Halligan Cup policy of giving everyone who turns up at least 15 minutes was very successful and I encourage everyone to ask a mate to come down to for run in the sky blue as so many people would say after the game, 'I had forgotten how much fun playing footy was'!

2015 Season highlights include:

- Mr Taylor (father of the Taylor twins) playing a man-of-the-match game for Colleagues after a 20 year break with his sons James & Sam Taylor,
- great hard fought last minute victories over Waverley and Lane Cove Colts at Blue Giant Stadium; and
- The 40m driving maul from a lineout (now known as the 'Matty Durrant') to score a winning try against Waverley at Waverley.

Thank you to all the Halligan stalwarts who played week in and week out and to all of our guest players who often played on short notice.

Special thanks must also go to the following

- Mitchell Keating for all the admin support / organising of the team
- Mark Logan for being an enthusiastic Captain,
- Sutherland coaches Ben Abrahams and James Robertson for their support,
- Matty Durrant for his help coaching in the first half of the year,
- President Richard McGrath for his continued support (and occasional last minute refereeing) and
- Dave Burnett who would come and watch us at away games and always volunteering where required whether it be to run touch / referee / coaching support.

Whilst we were unable to bring home the Halligan cup silverware in 2015, we were glad to support Sutherland / Convicts and look forward to reclaiming the Halligan Cup and bringing the cup back to its rightful home in 2016.

Ben Abraham

## Barbour Cup Report – Premiers

Operation Bring back Barbour!

After two seasons of being frustratingly close to winning the Barbour Cup the 2015 squad was finally able to leave GF with the ultimate prize!

With some of our key players and recruiters retuning from the 2014 season we managed to get underway with decent amount of players for a change. Key mentions here must go to Jack "Piggy" Williams, Oliver "Lemon" Lembke and Jim "Moooooose" Honner, as well as guys from previous teams who have helped make a culture that everyone wants to get involved in.

The season started with winning ways over some of the lower teams before back to back losses in a tight one to Old Iggies and getting touched by an impressive Mosman outfit. This loss to Mosman was one of the key drivers for our season as they exposed some glaring holes in our ruck work and support play which needed to be and were fixed at training. The way the team responded showed us we had a bunch of guys who were committed to the process. The season then continued with us winning most games but probably not by the margins we would have liked and getting off to worrying very slow starts to games, ensuring a weekly half time spray. The dreaded uni holidays then came around with the colties traditionally playing undermanned each week, although we only ended up losing one game during this period which was a credit to the guys who were in Sydney during the period.

Once back from holidays were able to get a roll on winning our final 5 games including premiership fancies Knox and Mosman. This period was our first chance to build a bit of consistency and style of play and ultimately led us into the major semi-final. The major semi-final against Mosman was our most complete performance of the year on both sides of the ball. Our defence was ferocious and our speed in attack was excellent, the final score of 29-17 was flattering to Mosman with many of the Colleagues faithful noting how well the team had played. Special mentions in this game must go to George Mallat and George Koukoulis who both played outstanding as well as the ever present front

row of Ben Sive, Josh Moloney and Harry Fleming, who between them managed to play most games and were one of the rocks of our season.

Mosman had a tough win over Knox to progress to the final and while we were confident we knew we were going to have to play well to get the win. Our guys came out firing and got off to an early 12 point lead, however our early dominance of the first half probably didn't get us far enough in front as we deserved and Mosman were not going away. Through their one move of 'pick and go' Mosman managed to control a heap of possession in the second half and as finals always seem to go made it very tense for the team. We kept letting them back into the game with simple errors but our defensive efforts in the second half ultimately got us the 24-19 win. Jack Hassett was the unanimous best on ground.

The 2015 season was highlighted by the depth of players used throughout the year and the competitiveness of the squad in general. Using over 40 players during the season there were a number of very good players who didn't manage to make the final team whether that be through injury or selection, and it was this competition for spots that drove us ultimately towards a grand final victory. So a huge thanks and congratulations has to go to the whole squad. It is great to see you guys as good mates on and off the field and winning a premiership is only going to ensure that it will last a very long time.

Many thanks must go to the club for their continued support of the Barbour team with special mentions to DB, Bunsen, Crofty, Kingo, Waters and Dingo who all helped in some shape or form throughout the year. The guys love being involved in the club and including them in everything is always appreciated. Thanks also must go to the self-appointed 'co-captains' L.J. and Lemo who were a great help not only with getting the boys along at the start of the season but also helping in running the team through the year. The additional of Willy A was also a big plus for the season, not only did he go to every uni party he was invited to, he also added a lot of commitment and knowledge to the group.

It is great to finally have Barbour back in our hands after a 9 year absence and we look forward to going back to back in 2016.

Andrew Mckillop, Richard Buttenshaw, Will Arnott
